GENERAL INFORMATION

We reserve the right to change both prices and opening hours. Once the bearer has entered the Poolbath area, no refunds on the price of purchased tickets can be offered. Children under the age of 14 may use the pools only on the recommendation of a doctor, for the purpose of medical treatment (bathing in medicinal water, underwater gymnastics, weight bath), with a treatment sheet, only under the supervision of an adult. Accepted means of payment: cash (HUF), bank card. For further information, please consult the information counter downstairs.

SINGLE-DAY PASSES

Usable on the day of purchase only. Entitles the bearer to one-time entry. An additional charge will be levied if the allotted time limit is exceeded.

OTHER PASSES

Deposits are refundable within 72 hours of expiry. Refunds are payable in cash only. Passes entitle the bearer to enter the premises on two occasions per day. Following the bearer's first exit, a 3-hour wait period is required before return entry is permitted. Upon exiting the premises, locker number assignments are automatically cleared, after which we can accept no liability for contents. An additional charge will be levied if the allotted time limit is exceeded.

Valid: from 01.05.2025. until reworked.

ADDITIONAL THERAPY SERVICES Treatments requiring medical examination	
Shockwave therapy (with medical examination) Shockwave therapy is a modern and effective treatment method in which rapidly propagating sound waves are delivered to painful areas of the body with the help of the treatment head. The treatment eliminates the real cause of the pain, as a result of which the damaged tissues gradually regenerate until the final healing.	9 400 HUF

Shockwave therapy package (with medical examination) (5 sessions)	42 300 HUF
HIVAMAT - deep osillation therapy (1 region), 25 min. A versatile massage based on deep oscillation of tissues – intensive treatment. It can be used after fresh operations, acute pain or open wounds, is a good analgesic and edema-reducing therapy.	8 600 HUF
Wrap (sulfur, titex, PCP, humino) (maximum 4 joints) The treatment is carried out with a special solution in liquid form. They have an analgesic, anti-inflammatory effect.	7 900 HUF
SIS therapy (1 region), 10 min. The technology is based on the high-intensity electromagnetic field, which has a beneficial effect on human tissues. Primary and main therapeutic effect: pain relief.	13 200 HUF
SIS therapy package (3 sessions)	34 400 HUF

TREATMENTS NOT REQUIRING MEDICAL EXAMINATION	
Hévíz mud massage, 20 min. The fine-grained, slightly heated mud as it touches the skin is very pleasant for the guest, and during the massage it gives an increasingly warm feeling of heat. With this type of massage we combine the double effect of massage and healing mud.	11 800 HUF
Hévíz healing mud pack (4 regions), 20 min. The treatment is available with consent form.	7 500 HUF
Hévíz healing mud pack (4 regions), 5x20 min. The treatment is available with consent form.	33 700 HUF
Dry water jet massage, 20 min.	4 800 HUF
MASSAGES Treatments NOT requiring medical examination.	
Regenerative massage with hip and scapula mobilization, 45 min. As a result of the classic type of massage, the muscles of the waist and lower limbs relax, tension is relieved and muscle pain is relieved. As a result of the movement, the range of motion of the hip and knee joints increases, the muscles surrounding the joints are stretched, as a result of which the pain due to hip and knee joint ligament is greatly reduced.	8 000 HUF
Regenerative, freshing massage, 30 min. Treatment with herbal massage cream to maintain physical and mental health, which provides well-being and aims to loosen tired, knitted muscles. It is analgesic and improves joint mobility.	6 300 HUF

Disease-specific massage, 40 min. It is applied to specific diseases (coxarthrosis, hip dislocation, Morbus Bechterew, TEP) both on medical recommendation and at your own risk. In these processes, the aspiration prevails to perform massage treatment specially designed for the disease.	11 600 HUF
Trigger-point massage for lower back and hip pain, 40 min. Special therapy used to treat muscle knots in muscle tissue or fascia system under stress.	8 800 HUF
HAND- AND FEET CARE Reservation at the cash-desk of the Poolbath.	
Medicinal pedicure, 40 min.	6 600 HUF
Manicure, 40 min.	5 400 HUF
Feet massage, 30 min.	5 500 HUF
DIAGNOSTICS Osteoporosis test (upon medical referral)	
DEXA scan; lumbar + hip region [without NEAK (National Health Insurance Fund of Hungary) funding, with a Hungarian health insurance card]	14 500 HUF
